

UKSWC WINNERS SPECIALTY SHOW 8TH July 2023.

Judge Mrs. Angie Baker.. "Mischran"

First and foremost I would like to thank the Committee for this appointment which I thoroughly enjoyed and a special thank you to not just the Committee but the exhibitors, members, my daughter for stewarding and Dave Turner who it was a delight to see again after such a long time and also for his stewarding with Sarah they made an awesome team and ensured a smooth running ring.

The exhibits overall were pleasing, sound and of a good construction and type, a couple a little near the height limit but on the whole, heads, tail carriages, length of body, shape of feet both fore and aft were very good and to my interpretation of the Breed Standard that is why I haven't commented individually on these points, they were all a joy to go over thank you.
